SAFETY MEASURES AT SAGE

- Throughout the pandemic, Sage has taken a proactive approach to public health measures that are meant to keep program participants, volunteers, and staff safe. We have resumed on-site programming, while continuing to offer virtual services. We have been asking that anyone entering the Sage building wear a mask in most spaces.

- As part of our efforts to maintain a safe and secure environment, we have also chosen to keep our exterior doors locked and have installed a new buzzer system to make access to the building easier.
- Stay home if you're sick
- Wear a mask if you've had COVID symptoms in the previous ten days
- If you're COVID positive, isolate for five days
- Wear a mask based on your personal risk assessment and context
- Sanitize hands and hard surfaces regularly
- We ask that you stay home if you are sick and/or are displaying new symptoms
- Masks are strongly encouraged but optional (masks and sanitizer will continue to be available)
- We will continue to screen people for symptoms before appointments, and reschedule if they are symptomatic
- Staff, volunteers, and/or program participants may continue to ask one another to use a mask when meeting in a one-on-one situation/enclosed space.
- Everyone is encouraged to be respectful of the needs others
- The Sunshine Café will remain closed at this time, but the Café area is available for the consumption of outside food and drink.
- We will also continue to keep our outer doors locked and ask that you use the buzzer when arriving at Sage.
