

# Thank you

Donor support is essential to maintaining free programs and services and responding to emergent needs. In 2023, approximately 300 donors collectively gave over \$75,000 to Sage to support seniors. Community members contributed year-round to support special needs and the *Resilience Fund*, which is used to fill gaps and strengthen a community of support that seniors can count on.

Your Good Company

A very special thank you to monthly donors, those who gave in memory of a loved one and all of you who gave anonymously.
