WHO WE ARE

Sage Seniors Association is a seniors-serving, not-for-profit organization based in Edmonton for over 55 years. Sage offers social services, supports and programs to thousands of seniors, assisting them to participate as active members of the community, able to live according to their beliefs, abilities and aspirations.

We promote socialization, enhance safety and well-being of vulnerable persons, and provide information and resources. We also do research and advocate on issues affecting older persons. Our mission is to inspire and support seniors to be the best that they can be.

THE OPPORTUNITY

Sage's Board of Directors is a governance board of volunteers from several sectors of the community. The Board guides strategy development which supports staff and management as they carry out operations. We are seeking individuals with diverse backgrounds and community experience in finance, law, seniors' health, communications, marketing, fundraising, government relations, human resources, research and advocacy, or the non-profit sector. Prior board experience is an asset and candidates must be able to provide a Police Information Check.
